INFO ABOUT NETWORK

RB CASTING NETWORK

WHAT IS AND HOW IT WORKS

RB Casting is a network of professional intermediation that arises between supply and demand, is dedicated to agencies, casting directors and actors.

The agency can promote its artists in two ways:

1. through the [search engine](#) used by directors, productions and casting directors (example: [search results](#));
2. through the [casting ads](#) (Cast List - Casting Call) present within the portal by nominating their artists.

Casting announcements are sent/inserted by casting directors, directors and productions and are evaluated and verified by the RB Casting editorial staff.

To apply or apply for an artist it is necessary that the artist is registered and has created a [profile](#) where there is at least one photo in PP.

Basic registration is free and allows you to apply for roles and create a public profile [/Actor-Agency](#))

The Casting Directors can insert Cast List (Announcements) to be sent to the agencies to receive proposals of actors complete Self Tape (if required).

SEARCH ENGINE

AND CASTING DIRECTORS WORK

It is widely used for artists' research.

Each Casting Director has its own working method, not everyone uses to put the cast lists on the portal (or send it to agencies):

- in some cases for not receiving calls and pressures that could affect and slow down research work;
- in other cases because they do not have a contract signed with the production and, while having to start the search, can not disseminate the cast list.

In these cases the [search engine](#) becomes a fundamental tool to search for artists.

[The subscription](#) allows (users/artists) access to the [professional part](#) of the search results.

Artists who have subscribed to an art agency do not receive direct contacts through the Network as it is never bypassed the agency of belonging. All contacts, both telephone and e-mail, addressed to the artist are sent exclusively to the agency that will act as a filter. Being published the telephone number of the agency on the profile of the artist often who takes care of the convocations could contact the agency without necessarily specifying that the artist has been visualized on the Search Engine.

In these cases, although the platform is highly consulted, it cannot always provide direct feedback of the contact received through it.

CASTING DIRECTOR

VISIBILITY OF THE CAST LIST

The casting directors can decide the type of visibility of their cast list (ad casting)

PUBLIC - visible to all (actors and agencies)

PRIVATE - only visible to agencies

DETAILS - Visible only to specific agencies chosen by the casting directors (example: if you are looking for a child only send it to agencies of children).

An agency that makes relevant nominations has more chance of being involved in more projects by Casting Directors.

The cast lists visible on the platform by an agency/ artist is not said to be the only ones present, depends on the type of visibility set.

Not all cast lists are sent with email notification so it is advisable to enter the platform daily to check new cast lists and casting updates (you can also do it from mobile by saving the login credentials and the cast list page on the desktop of the mobile phone).

FREQUENTLY ASKED QUESTIONS - AGENCY

CAN AN AGENCY BE OVERRULED IF AN ACTOR IS SELF-PROCLAIMED FOR A PUBLIC CAST LIST?

Not in any way.

If an actor, who belongs to an agency, is a candidate for a role would be a candidate by the agency and any contact messages (email or telephone) would only reach the agency and not the actor (the actor's contacts are never visible and reachable).

The agency cannot, in any way, be bypassed through the platform.

CAN AN ACTOR VIEW/APPLY FOR A PUBLIC CAST LIST?

Yes, but only if it corresponds to the exact criteria of the role (age group, gender, etc.) otherwise it is blocked by the system.

If it does not meet the search criteria, only your agent can apply if he thinks it is appropriate.

PHOTO HOW TO INSERT/EDIT IT?

[Play actor](#) then «**My Account**» [click here](#) to view steps.

Photo no more than 450Kb [click to reduce image size](#)

DOES THE AGENT HAVE THE POWER TO VERIFY WHETHER HIS OWN ACTOR HAS NOMINATED HIMSELF FOR A POSITION?

Yes. You can verify this by entering the cast list and at the bottom of the page [you can see who is running](#).

CAN THE AGENT NOMINATE AN ACTOR WHO DOES NOT MEET THE CRITERIA FOR SEEKING THE ROLE?

Yes. We recommend to be careful.

Example: if the research is aimed at an actress between 25 and 30 years of age, the agent may also nominate a 32-year-old actress if he considers that he can demonstrate a lower age; If the search is for a native English-speaking actress, it is not recommended to nominate an actress who does not speak English.

CAN AN ACTOR APPLY FOR THE ROLE IF HE HASN'T FILLED OUT HIS RESUME?

YES. Attaching a [link](#) to the cv being applied (example: the page dedicated to the actor on the [agency's website](#)).

CAN I APPLY FOR AN ACTOR BY LINKING THE CV LINKED TO THE AGENCY PAGE?

YES. When [applying](#) for the role it is possible to insert external [links](#) (it is advisable to insert a [direct link](#) to the page of the actor)

CURRICULUM - FREQUENTLY ASKED QUESTIONS - (user and actors)

WHY DON'T I GET THE CANDIDATES BUTTON?

Because sex or age do not match the role. In this case only your agent can apply. Without an agent you can not apply.

MY AGENCY IS NOT PRESENT. WHAT DO I HAVE TO DO?

You must invite your agency to Register. The actor cannot indicate his agency if he is not present.

CAN AN ACTOR WHO HAS AN AGENCY APPLY FOR A PUBLIC CAST LIST?

It depends on the agreements you have with your agency (we recommend asking your agent).

The system allows the application, because the agency is not bypassed, in case of convocation is the agency to receive the message.

AN ACTOR WHO BELONGS TO AN AGENCY WHAT ARE ITS ADVANTAGES?

Many. He may be nominated for a larger number of cast lists as the agent also displays private cast lists (dedicated only to agencies), which the actor cannot view and, which are generally the most important ones.

The agent can nominate the actor even if it does not meet the search criteria, which the actor alone cannot do.

It has more legal and contractual protection. The agent has more knowledge of the market and therefore more ability to negotiate.

CAN I ATTACH A RESUME?

NO. It is not possible to insert attachments.

To facilitate the work of the casting director, who has to view hundreds of resumes, we have created a standardized cv insertion system equal for all actors that simplifies facilitates the display of information (Data, CV, photos and videos).

HOW CAN I INSERT A RESUME?

Currently the curriculum is built by filling in item by item [manually](#) (the fields on the private profile of the actor).

To speed up the insertion it is advisable that, the agency delegate, the compilation of data directly to the artist.

The system, once inserted the entries, generates a [pdf of the cv](#) downloadable from the [public profile](#) of the artist necessary in case of printing.

FREQUENTLY ASKED QUESTIONS – AGENCY - USERS (AND ACTORS)

I SEE THIS PICTURE ON MY PROFILE HOW CAN I REMOVE IT?

Just click on the blue icon of the «i»

The writing in the image is not about the users but about our technical team. Changes not allowed are related to the html programming code (for programmers) and not to the user account features.

DATE OF BIRTH - MAIL - PASSWORD - PHOTO - CAN'T I CHANGE IT?

Do it from «My Account» [click here](#) to view the image

DO AGENCIES RECEIVE EMAIL NOTIFICATION ABOUT CAST LIST ADDED OR UPDATED?

Yes, but only if the news was set with email notification from the casting directors. Not all cast lists are sent with email notification so it is advisable to enter the platform daily to check new cast lists and casting updates..

DO ACTORS RECEIVE EMAIL NOTIFICATION WHEN A CAST LIST IS ADDED?

No. The Actors don't receive email notifications.

HOW OFTEN ARE NEW CASTING ON THE SITE?

Every day many cast lists are inserted. It is advisable to check the portal daily (you can also do it from mobile by saving the login credentials and the cast list page on the desktop of the mobile phone).

IS IT POSSIBLE TO WITHDRAW THE APPLICATION? NO.

Applications cannot be withdrawn because the system, when the user applies, also sends an email of the application to the casting director and therefore once started can not be withdrawn.

SECURITY

For privacy and security reasons the portal is designed, according to European standards, which require that each user/ artist can freely subscribe independently. Once registered you can associate your account with your agency, so that the latter can apply and filter all contact requests, manage/ update the profile of the artist.

The actor without agency must ignore the association with the agency, not have to choose agencies randomly.

THE AGENCY CAN NEVER BE BYPASSED THROUGH RB CASTING

All messages addressed to the actor are automatically sent only to the agency's email, even if the actor has entered his private contact. The actor's private contacts (email, mobile phone, etc.) are not visible to anyone except their agent.

the network is designed in accordance with the work of the agent

ARTIST REGISTRATION

ARTIST REGISTRATION IN 4 STEPS (BY THE AGENCY)

In order to nominate an actor it is necessary that the actor has created an account on RB Casting and has associated their agency, for example: <https://www.rbcasting.com/rb/web/matildadeangelis> - Before registering an artist [check if he is already registered](#).

1. REGISTER THE ARTIST - (create his [public profile](#))

Once the subscription is completed, the password will arrive on the email box indicated during the registration.

2. LOGIN

Enter to complete the [registration](#) insert a [professional close-up](#) as [main profile photo](#).

3. ASSOCIATING THE ARTIST WITH THE AGENCY

Enter in the profile of the actor go to "" Profile (CV) area "Agencies" then "All Agencies" search the agency and click on "[Request Registrati on](#)"

4. THE AGENCY MUST ACCEPT THE ARTIST'S REGISTRATION REQUEST FROM ITS ACCOUNT

Enter the [Agency Control Panel](#) menu [Managing Actors](#) under "Users" to enable then button " Actions and Register«. After the association the agency can check the profile and edit [default profile picture](#) - [photo gallery](#) – [video](#) - [cv](#) - [mail](#) of the artists associated to the agency through the function [User Impersonator](#).

INVITE A USER/ACTOR TO SIGN UP

The agency can speed up the inclusion of artists inviting them to join the site
just copy the following link and send it by email to the artist

<http://static.rbcasting.com/INVITO-AD-ISCRIVERSI-INGLESE.pdf>

OPTION 2

IF THE AGENCY ENROLLS THE ACTOR

REGISTER ALL ARTISTS WITH ONE EMAIL ADDRESS

To speed up registration, you can only use one email address. If the staff member registers, in the [registration form](#) you can enter your own email (which is not already present on rb) where you can receive the password, after which it must [enter](#) in the account of the actor and it must [replace the mail](#) present with that of the artist in order to free own mail with which to make other inscriptions.

Steps to Take: Access via artist's password, [click on the 'Name' of the actor](#) in the top right page of the menu that appears click on "[My account](#) or [Il mio account](#)" and [replace](#) the email with that of the artist finally click on "[SAVE](#)" at the bottom of the page to complete the operation. ***CAUTION** do not enter random mails because when artists are nominated for roles by the agent, receive ([if ticked](#)), an e-mail notifying you of your application. If the email is incorrect or non-existent, the system applies penalties that could lead to the blocking of the account.

The next step is [to associate the artist with the agency](#) so that the agent has full control of the account.

USE OF CONTACTS

If the agency decides to close the collaboration with an artist can delete it from its account, but the latter must be able to retrieve the password of his profile, through its email, to regain control and update. For this it is important to enter a real email address of the artist. The contacts can also be used by the agency to use the personalized services available in the areas of the portal to send messages to their artists. Example: when applying for a casting the agency can decide, through an optional cek, [see red arrow in the image](#), to send an automatic communication to the email of the artist to inform him that his agent is applying for a casting. This option is generally highly appreciated by artists and agents and is optional at the discretion of the agent. Obviously in the mail it is reported that no artist intervention is required but communication is only for informational purposes.

CURRICULUM - FREQUENTLY ASKED QUESTIONS - (agencies and actors)

RETRIEVING PORTAL LOGIN CREDENTIALS (MAIL AND PASSWORD)

If the artist does not remember the password can request it by clicking on this link "[Recover Password](#)" by entering the email with which you have subscribed.

If you are unable to retrieve it, please contact RB Casting staff at support@rbcasting.com and attach a copy of a valid ID (to identify the applicant as the actual account holder). Otherwise you can contact the agency directly.

Go back to [Impersonate Actor by clicking here](#).

HOW TO FIND AN ACTOR BY NAME AND SURNAME?

[clicking on the link](#) and, entering his name and surname in the search field (see red arrow in the image below)

If you click on the logo of the agency from the [public profile](#) of an actor/user you can open the [public profile of the agency](#) where all the actors of that specific agency are present.

Example: If a casting director performs a search on the search engine and opens the public profile of an actor (belonging to an agency), clicking on the logo of the agency gets to view all the actors of that agency.

The system is designed to promote the agency with its artists from various points of the portal through semantic navigation.

URL

www.rbcasting.com/rb/web/valeriasolarino

WHY IT IS USEFUL TO SPREAD IT

Sending your URL allows those who receive it to have the material of the actor always updated unlike attachments (pdf-photo-video on cd / dvd or by mail) that once sent are no longer upgradable.

Example: if I upload new photos to my account or update the cv, all the casting directors to which I have sent in precedence my URL will visualize the new photos and the updated curriculum without the necessity to send again the URL.

The URL contains links to IMDB, WIKIPEDIA, GOOGLE IMAGES-VIDEO-NEWS

"ROLE NAME" Clicking on the role opens the description, read it carefully. In some cases there may be attached a scene for the self tape.

«**CANDIDATES**» button «**Candidates**» appears only if the artist corresponds to the criterion of search for the role (gender and age group).

Do not apply if you do not match the search, example if they are looking for an actor between 30-40 years old native English speaking man the button candidates will appear to all male actors between 30-40 years old but those who are not native English speakers should not apply.

«**PENALTY**» the system through an algorithm applies penalties for applications not relevant and after a certain number considers them spam.

PHOTO HOW TO INSERT/EDIT IT?

You can do it from «My Account»

[cliccare qui](#) to see the steps.

No more than 450kb [click to reduce image size](#)

SOCIAL

THE FOLLOWING LINKS ARE GENERATED BY THE SYSTEM WHEN THE ACCOUNT IS CREATED
VISIBLE ON THE ARTIST/USER [PUBLIC PROFILE](#)

CV in pdf - you can [download](#) the [CV generated automatically](#) by the system with the info [entered](#) by the artist

Card - you can [download](#) a [business card](#) with the url of the profile to give instead of photos and cv. The contents on the url will always be updated for those who visit it.

Print - profile image printing

IMDB - Direct link to the artist's IMDB profile

Wikipedia - Direct link to the artist's Wikipedia

Press - Link to press release of the artist that is generated in real time through Google News

Video - Link to video review of the artist that is generated in real time through Google Video

Images - Link to Images of the artist in real time via Google Images

Spreading the url of the artist www.rbcasting.com/rb/web/valeriasolarino (for example saving it in your email signature) you have the link to cv, videos, photos and agency including the direct link to all social media above and other [external links inserted by the artist](#) (like Instagram, link to [agency page](#), Twitter page etc.).

URL

www.rbcasting.com/rb/web/valeriasolarino

WHY IT IS USEFUL TO SPREAD IT

Sending your URL allows those who receive it to have the material of the actor always updated unlike attachments (pdf-photo-video on cd / dvd or by mail) that once sent are no longer upgradable.

Example: if I upload new photos to my account or update the cv, all the casting directors to which I have sent in precedence my URL will visualize the new photos and the updated curriculum without the necessity to send again the URL.

The URL contains links to IMDB, WIKIPEDIA, GOOGLE IMAGES-VIDEO-NEWS

If inserted by the user also contains external links example:

Link to the agency page www.tnasrl.net/actress/valeria-solarino

Link Instagram www.instagram.com/valeriasolarino

Link Twitter www.twitter.com/valeriasolarino

Sito personale www.valeriasolarino.it

(visible depending on the plan [subscriptions](#))

Sending the url does not serve to send other links to the casting director

You can add the URL
to the Mail Signature
to the Business Card
