**AGENCY** – all agencies (associate the actor with the agency)  
(allows you to subscribe or change the artistic agency you belong to)

"All agencies" you can send here the registration request to your agency and only after that the agency (from your own rb account) accepts the registration request, the logo and contacts of the agency chosen will appear on actor/ess public profile. In the case of several agencies, for example an Italian and a foreign agency, it is possible to subscribe more than one agency.

Below this is the 'User Agencies Subscriptions' section, which includes tabs for 'Le mie agenzie' and 'Tutte le agenzie'. A text block instructs the user to 'Choose your agency' and provides an attention warning. At the bottom, there is a form with the name 'TNA' and a 'Request membership' button. A 'SEARCH' button is also visible on the right side of the page. Red arrows point from the text above to the 'Agency' link, the 'Le mie agenzie' tab, the 'Request membership' button, and the 'SEARCH' button.
